It is hardly possible that there will be any real reform of the tariff at this session ef congress. The course of the tariff commission and the ways and means committee render it certain that the bill when it reaches the house, will be in such shape that a long and bitter wrangle must ensue. The report of the commission has been made on such an unjust basis that it will be hotly opposed by the representatives from sections that have been discriminated against. And as much less than two months of the session remains it can hardly be expected that any bill will he passed before the congress expires by limitation. Other important measures may be expected to suffer the same fate.

AYER'S

Sarsaparilla

During a long period of unparalleled usefulness, Aver's Sarsaparilla has proven its perfect adaptation to the cure of all diseases originating in poor blood and a weakened vitality. It is a highly concentrated extract of Sarsaparilla and other blood-purifying roots, combined with Iodide of Potassium and Iron, and is the safest, most reliable, and most economical blood-purifier and blood-food that can be used.

Inflammatory Rheumatism Cured. "AYER'S SARSAPARILLA has cured me of the Inflammatory Rheumatism, with which I have suffered for many years. Durham, Ia., March 2, 1882. W. H. MOORE."

"Eight years ago I had an attack of Rheuma-tism so severe that I could not move from the bed, or dress, without help. I tried several remedies without much if any relief, until I took AVER'S without much if any relief, until I took AYER'S SARSAPARILIA, by the use of two bottles of which I was completely cured. I have not been troubled with the Rheumatism since. Have sold large quantities of your SARSAPARILIA, and it still retains its wonderful popularity. The many notable cures it has effected in this vicinity convince me that it is the best blood medicine ever offered to the public. E. F. HARRIS."

River St., Buckland, Mass., May 13, 1882.

"Last March I was so weak from general de-bility that I could not walk without help. Fol-lowing the advice of a friend, I commenced taking AVER'S SARSAPARILLA, and before I had used three bottles I felt as well as I ever did in my life. I have been at work now for two months, and think your Sarsaparilla the greatest blood medicine in the world. James Maynard." 520 West 42d St., New York, July 19, 1882.

AYER'S SARSAPARILLA cures Scrofula and all Scrofulous Complaints, Erysipelas, Eczema, Ringworm, Blotches, Sores, Boils, Tumors, and Eruptions of the Skin. It clears the blood of all impurities, aids digestion, stimulates the action of the bowels, and thus restores vitality and strengthens the whole system.
